THIS IS YOUR RETREAT

- * We can always use fresh brain cells on the retreat committee to keep things... well, fresh. We have fun, it's not much work, and thanks to the internet, there's no commute. We greatly appreciate the people who stepped up to lead workshops for the Fall retreat and will ask for volunteers with the registration.
- * If you know someone who wants to be on our mailing list, have them contact us at retreataca@gmail.com.

WHAT TO EXPECT

Affirmations, an art project, storytime, good food, burning bowl ceremony, workshops, a movie, the play room, variety show, games, AND a special Thursday event, and a recovery book giving library or exchange.

In service,

Your Retreat Committee
