

### **PROPOSAL 1 - GROUP CONTACTS FOR MEETING REGISTRATIONS**

We propose that the meeting listing guidelines be changed to allow a single individual only to be the Public or one of the Primary Private Contacts for no more than four meeting registration numbers. We believe that implementing this system will help ensure that meetings are autonomous in accordance with the Traditions of ACA.

### **PROPOSAL 2 – LIABILITY INSURANCE RESOURCE TRIFOLD**

We propose that delegate volunteers write a trifold on how to provide liability insurance for meetings where venues require it. Delegates will form a committee, research the topic, organize their findings, and create the trifold by the 2026 Annual Business Conference (ABC) for current, newly forming and displaced ACA meetings, Intergroups, and Regions.

### **PROPOSAL 3 – CREATION OF A SPONSOR DATABASE**

We propose that one or more consolidated databases of available sponsors be maintained at an organizational level above the group level (possibly Intergroup or Region level), to be a resource for groups lacking suitable sponsors within their own membership.

### **PROPOSAL 4 – CREATION OF A SOCIAL MEDIA COMMITTEE**

Motion for the creation of a committee to explore how to carry the ACA message forward through social media platforms.

### **PROPOSAL 5 –ACA LITERATURE WILL BE CONFERENCE APPROVED BEFORE PUBLICATION**

We propose that all ACA literature is to be “Conference Approved” by the ACA fellowship before it is published and offered for sale. This change is expected to save thousands of dollars associated with the current practice of distributing unapproved ACA literature that may require substantial revision.

### **PROPOSAL 6 – LITERATURE POLICIES & PRIORITIES**

We propose that a Conference Literature Committee of delegates to the 2025 ABC be formed. This committee will initially be charged with determining fellowship literature needs, wants, priorities, and development process.

### **PROPOSAL 7 – APPROVAL OF CHANGES TO TRADITIONS AND CONCEPTS**

Propose that 75% of registered ACA meetings are needed to approve changes to Traditions & Concepts.

### **PROPOSAL 8 – NAME CHANGE TO ADULT CHILDREN ANONYMOUS**

We propose that the descriptive name for ACA be simplified to ADULT CHILDREN ANONYMOUS.

### **PROPOSAL 9 – FUTURE CHANGES TO THE BALLOT PROCESS**

We propose that any future changes to the Ballot process must be approved by the delegates at the ABC. By adopting this proposal, the ABC will be directing the WSO to make sure the changes are reflected in any procedural documentation, such as the ACA WSO Operating Policy and Procedures Manual (OPPM).

### **PROPOSAL 10 – CREATE A CONFERENCE COMMITTEE TO REVIEW BALLOT PROPOSALS**

The Conference adopt a policy for ACA World Services that all future proposals from any source for consideration at a meeting of Conference delegates must be reviewed by a Committee of the Conference for analysis and recommendations, and then by the entire Conference delegation for a final decision on proposals to be placed on an agenda. Members of the Conference Committee will be a reasonable number of randomly selected delegates willing and able to serve.

### **PROPOSAL 11 – CREATE AN AD-HOC COMMITTEE TO DISCUSS SCOPE OF INTERGROUP**

To allow the creation of Intergroups defined by a shared set of needs among its member meetings, including but not limited to geographical proximity; to allow meetings to register with any Intergroup, provided the Intergroup votes at a regular business meeting to accept their registration; and to convene an ad-hoc committee to study the role of Intergroups within the ACA service structure to highlight opportunities offered by participation in Intergroups.

### **PROPOSAL 12 – REGION REPRESENTATIVES ON THE WSO BOARD**

We are proposing that ACA reestablish the practice of seating Representatives elected by a Region onto the WSO Board. As in prior ACA practice, each elected Region representative will be empowered to vote on all matters before the WSO Board, an ACA service body.

### **PROPOSAL 13 – POST ALL COMMITTEE MINUTES OR REPORTS ON ACAWSO.ORG IN A TIMELY FASHION**

We propose that all WSO committees (Collaboration Committees, Committees, and sub-committees) submit meeting minutes or reports for posting on the ACAWSO.org website within one month of each meeting.
