

ACA Service Structure Sequence

THE WAY IT IS SUPPOSED TO WORK

Meetings

create service boards
(Intergroups) to better
serve their needs

Intergroups

create service boards
(Regions) to better serve
their needs

Regions

create the service board
(World Service Board) to
better serve their needs

World Service

maintains non-profit status
Follows voice of fellowship
Is focal point for info

Meeting Representatives become the Intergroup Boards
Intergroup Representatives make up the Region Boards
Region Representatives serve on the World Service Board
