WHAT IS A REGION?

- ACA Regions are service committees of the Adult Children of Alcoholics and Dysfunctional Families service network supporting the ACA membership. This ACA service network includes meetings, Intergroups, Regions, and the World Service Organization (WSO).
- ACA Regions consist of Intergroup and meeting members in specific geographic areas.
- Region representatives provide guidance to the World Service Board.
- We support the fellowship in our region and provide communication between meetings, intergroups, and the World Service Board.
- The Greater Western USA Region strives to help all our meetings be safe and aligned with our greater fellowship.
